

"The Holy High Priest"

Numbers 16:1-50

There are two lives that all humans live- There is the life they live in public to convince themselves and others that they are good and right, and there is the life they live in private that accuses them in their hearts of their shame and guilt. The enemy of God's children tells them with each passing moment that they are a fraud and guilty of all things. The message of the Gospel is that God can also see that private guilt, and He still wants to save and use us.

1. Holiness is Separation (vv. 1-30)
