

Daniel: History, Ancient and Future
“Living in Babylon”
Daniel 1

The Bible speaks about many different responses to cultural exile. Jonah, for example, condemned the surrounding culture; while Esther generally accommodated it. Since America is clearly no longer a Christian culture, how should we respond? Daniel, living in Babylon, gives us a better model to follow.

1. Living in Babylon Starts with Purity (vv.8-16)

2. Living in Babylon Demands Preparation (v.17)

3. Living in Babylon Requires Productivity (vv.18-21)
