

Thinking Biblical Thoughts

“...about Ourselves”

2 Corinthians 4:7-9, 16-18

A serious problem within contemporary Christianity emerges when believers live by sight and not by faith. The Christian life cannot work as it is meant to when believers respond to circumstances and make choices in a worldly fashion. Failure to assess eternal realities creates an incorrect evaluation of individual value and the true significance of this life.

1. Seeing Ourselves Biblically (v.7)

2. Seeing Our Circumstances Biblically (vv.8, 9)

3. Seeing God’s Purposes Biblically (vv.16-18)
