

Praying Dangerous Prayers

“Prayer for Eternity”

Matthew 6:10; 1 Corinthians 16:22; Revelation 22:20

Ultimately, prayer is motivated by a yearning for eternity, a pull toward a time when God will make all things right and righteous. As this longing for another place moves in us from subconscious to awareness, prayer has greater power since it increasingly aligns with God’s eternal will and purpose.

1. Priority of Eternity (Matthew 6:10)

2. Passion for Today (1 Corinthians 16:22)

3. Promise for Tomorrow (Revelation 22:20)
