

Ephesians: Salvation, Theology and Practice

“Unity and Mystery”

Ephesians 2:1-3:21

Flowing out of the grand discussion of God’s purposes in chapter one, Paul now reviews the spiritual history and future of every believer. He describes how new life in Jesus is possible because Jesus provides a way into the unapproachable presence of God. These chapters comprise the Bible’s finest description of who we are as the people of God.

1. Salvation Unfolded (2:1-10)

2. Kingdom Expanded (2:11-22)

3. Testimony Proclaimed (3:1-13)

4. Abundance Requested (3:14-21)
