

John 4-8: The Word Made Known
“Bread of Life, Offered”
John 6:22-40

Despite eating until they were full the day before, the crowd wakes up hungry the next morning and seeks out Jesus to provide another meal. This search produces not a meal, but a pointed explanation by Jesus of everything they missed in the earlier “sign.” With great patience, Jesus offers them one more chance to consider the true Bread of Life.
