

Thinking Biblical Thoughts

“...about Other People”

John 4:27-42

One of the great challenges to seeing eternity is not being put off by the surface evaluations we typically use when categorizing other people. We utilize race, religion, education, money, physical appearance, etc. as ways to choose whom we will engage and whom we will avoid. Eternal eyes see beyond such things...to the harvest of souls.

1. The Harvest is the primary task (vv.27-34)

2. The Harvest is ready now (v.35)

3. The Harvest belongs to all the workers (vv.36-38)

4. The Harvest ultimately depends on Jesus (vv.39-42)
