

Galatians: No Compromise
“Old Testament Law Explained”
Galatians 3:19-4:3

Having emphasized the superiority of grace, Paul now explains the purpose of God’s law. It has two chief functions: first, to probe the hidden soul for sin, and second, to prepare the desperate soul for salvation. The law is diagnostic, not curative.

1. Probing for Sin (3:19-22)

2. Preparing for Salvation (3:23-29)

3. Practicing for Sonship (4:1-3)
