

TITUS: Guidebook for Church Life
"Advancing into the World"
Titus 3:1-15

Practical ministry is not merely a program in the church or even just an aspect of a healthy Christian life. Touching the world in the name of Jesus is commanded by God, and ministry is meant to make an impact for the Kingdom of God in every generation. Doing good works is not just what we do. It's who we are!

1. Remember Who We Are (vv. 1-2)

2. Remember Who We Were (v. 3)

3. Remember What God Did (vv. 4-7)

4. Remember What We're to Do (v. 8)

5. Remember What We're NOT to Do (vv. 9-11)

6. Remember What We Share (vv. 12-15)
