

John 14-21: The Word Made Complete
“Resurrection Presence and Power”
John 21:1-14

This passage is the longest account of any appearance of the risen Lord in Galilee. The disciples, still uncertain about the implications of His resurrection for their future, have been instructed to carry out His mission. But how? When? Where? With what resources? Much remains for them before gaining the confidence eventually displayed at Pentecost.

1. Provision *By* the Lord (vv.1-6)

2. Recognition *Of* the Lord (vv.7-9)

3. Contribution *To* the Lord (vv.10-12)

4. *Again*, Provision *By* the Lord (vv.13, 14)
