

"Living In the Presence of God"

Philippians 4:4-9

Our perspective changes when we learn to set our eyes on Jesus and to learn who He is according to Scripture. The challenge is to keep our focus on Him in a generation that is fighting a never-ending battle against distractions. If we lose sight of our Savior, we will grow discouraged and lose heart. But to find peace in the battle, we must fix our eyes on the King and relentlessly pursue His presence.
