

Mark 6-10: Imitating the King
“Marriage & Children Revisited”
Mark 10:1-16

Family life in every generation is a special target of the enemies of God. Marriage is intended as a model for the gospel and children are fresh reminders of the image of God impressed on every living soul. Accordingly, Jesus takes marriage and children seriously, even personally. Shouldn't the Church be devoted to the same priorities as our Lord?

1. Divine Condescension (vv.1-5)

2. Divine Intention (vv.6-9)

3. Divine Clarification (vv.10-12)

4. Divine Satisfaction (vv.13-16)
