

2025-26: Year of Salt and Light
“Shepherding Church Growth”
Acts 1:21-26; 6:1-7; 15:6, 22

Biblical leadership is one of the critical factors determining the health and growth of a church. Long-term vision and daily decisions both require sound leadership combined with a supportive church family. Only with biblical leadership and biblical structure may a church experience biblical results.
