

Living the Mind of Christ
“High Impact Giving”
Philippians 4:14-23

Paul closes his letter to the Philippian church with the expression of gratitude for their financial assistance that was his original motivation for writing. Even here, he is still teaching. The main benefit of Christian giving is not what the gift does for the receiver, but what the act of giving does for the giver.

1. By Giving, We Share Ownership in Ministry (vv.14-16)

2. By Giving, We Offer Acceptable Gifts to God (vv.17, 18)

3. By Giving, We Gain a Position for Receiving (vv.19, 20)

4. By Giving, We Strengthen Bonds between Brothers (vv.21-23)
