

“Crucified with Christ”

Galatians 2:20

An absolutely essential verse, here is Paul’s confession of the power of the cross in his own life. It stood between him and his past. His self-life was nailed there, and this new life was no longer derived from vain struggles to be religious, but from the indwelling and overflowing life of Jesus. 2024 is, for Evergreen, the Year of the Crucified Life!
