

A Heart Formed by the Word

Pastor AJ Gonzalez

Psalm 119:33-40

This passage reveals that spiritual transformation is not achieved through information alone but through God's active work in the heart. The psalmist models a dependence on God to teach, lead, incline, and revive him through His Word. It shows that Scripture is not merely to be studied but to be internalized and lived out. A life shaped by God's Word is ultimately a life surrendered to God's work.

1. A Teachable Heart (Psalm 119:33-34)

2. A Directed Heart (Psalm 119:35-37)
