

Holiness in a Crumbled Culture

“Worship and Renewal”

Ezra 3

Ezra tells the story of the work, led by Zerubbabel, to rebuild the house of God. The project would take decades to complete, marked by both highs and lows. Only careful attention to the Word of God and the intentional practice of praise would bring them through. This survival strategy for God’s people remains unchanged even today.

1. Worship: Foundational Priority (vv.1-9)

2. Renewal: Future Perspective (vv.10-13)
