Hidden Influence 1 Kings 3:1-28

More than at any other time in history, our generation is searching for influence. The temptation that the people of God face today is to see our relationship with others the way the world does. But God's wisdom is always contrary to the world's perspective. The challenge for us is to cultivate a heart that is tuned to hear the voice of God and walk in obedience to it.

1. A Unique Opportunity (3:1-9)

2. A Lifelong Challenge (3:10-15)

3. A Reputation for the Ages (3:16-28)
