

## ***1-2 Thessalonians: Today and Tomorrow***

### **“Commendation and Intercession”**

**2 Thessalonians 1:1-12**

*In his first letter to this church, Paul expressed unrestrained enthusiasm for church life in Thessalonica. A second letter follows quickly after the first one because a problem surfaces regarding daily work ethic of some in light of the coming return of Jesus. Paul begins this new letter with a reminder of his pride in them and his specific prayers offered for them regularly.*
