

“Chaos and Peace”

Luke 22:14-20

Established by Jesus Himself, the Lord’s Supper is a picture sermon of His sacrificial death for us. This simple commemoration is 2000 years old; and yet, for those committed to Christ, it is more meaningful each new time we share it. His instructions to us are plain:

1. “Do this...”

2. “Do this in remembrance...”

3. “Do this in remembrance of Me”
