

Scolding Jesus
“Lord, I Don’t Think You Care”
Matthew 8:18-27

Jesus has just finished giving basic instruction about “disciple life” in the Sermon on the Mount (Matthew 5-7). Now He begins the real-life training of disciples. Jesus measures commitment and creates teachable moments for His followers. Seeing God work in someone else’s crisis never replaces the lessons of faith learned in our own crisis.
