

Living the Mind of Christ
“Living a Warrior’s Life”
Philippians 4:8-13

A warrior’s life is difficult because he is constantly involved with the enemy. As a result, every warrior learns that battles are won by a disciplined mind, a shared bond with brothers, and a survival toughness only revealed in conflict. These lessons shape a life that can never again settle for being average.

1. A Warrior Disciplines His Mind (vv.8, 9)

2. A Warrior Values His Companions (v.10)

3. A Warrior Embraces His Situation (vv.11, 12)

4. A Warrior Admits His Dependence (v.13)
