

TITUS: Guidebook for Church Life

"Authenticity and Ambition"

Titus 2:9-15

Paul does not leave believers with a simple list of religious duties to perform. Rather, he calls us to a noble purpose, to a higher life. He now explains the theological foundation and eternal motivation for living the Christian life and taking the Gospel to the entire world.

Motivated by grace, authentic Jesus-followers do amazing things!

1. Authenticity of a Follower (vv. 9-10)

2. Announcement of Salvation (v. 11)

3. Application of Grace (v. 12)

4. Anticipation of Return (v. 13)

5. Ambition of Redemption (v. 14)

6. Authority of God's Word (v. 15)
