“Exchanging Gifts”

Genesis 8

It seems obvious that the natural world today is different in significant ways from the ancient stories told of creation in cultural legends from across the earth. There seems to have been dramatic changes. How can this fact be explained? And how does the biblical story of the flood fit into the narrative of man’s redemption?

1. Gift of the Flood

- **Actual Cataclysm**

- **Foundational Truth**

2. Gift of Commitment

3. Gift of Constancy
