

John 14-21: The Word Made Complete

“God Condemned as Guilty”

John 18:38b-19:16a

As the nighttime trials of Jesus transition into day, the wicked machinations of His godless enemies become more blatant and despicable. No moment in human history can compare to when God Incarnate is declared “Guilty!” by evil men and their complicit lackeys. All creation certainly looked on that day in utter horror and righteous anger.
