

1 Samuel: Selected Lessons for Leaders

“Leadership without Position”

1 Samuel 1:1-2:11

In a generation obsessed with mechanics of leadership, people seldom consider the Bible as a source of leadership instruction. In fact, the Bible is especially useful in this because it identifies something critical—how the presence of God impacts the success of a leader. I Samuel details great leaders; but God remains the primary actor in the human story.

1. Important Unimportance (1:1-7)

2. An Appeal to the Source of Hope (1:8-18)

3. Divine Intervention (1:19-28)

4. Triumphant Praise! (2:1-11)
