

## **The Freedom of Sacrifice: Romans 12:1**

**Reverend Randy Osborn**

*We process everything based on our fallen and broken world perspective. We constantly evaluate it from a myopic viewpoint. As we seek to transition into an eternal kingdom that is foreign to our present existence, we struggle to grasp our limitations and many times fail to remember that proper focus only comes from one place.*

1. Put Yourself Out There (Romans 6:13, 16, 19)

2. Follow Jesus' Example (Ephesians 5:2)

3. SOP: Living and Holy (Philippians 2:1-8)
