

Holy Sexuality

GRACE AND TRUTH

SEPT 25

“Holy Sexuality” refers to _____ in singleness and _____ in marriage.

John 1:16-17: For from his fullness we have all received, _____ upon _____. For the law was given through Moses; _____ and _____ came through Jesus Christ.

Why are we doing this and why now?

1. We live in a culture in which morality around sexuality is rapidly changing.
2. So many are confused and disoriented over sexuality.

Clash of worldviews.

A secular postmodern morality believes that **we are _____ to be who we _____ to be and do what we _____ to do** because there is no higher than human authority.

What the world says: _____ → **What the Bible says:**

_____ are the ultimate guide. → The _____ is our ultimate guide.

_____ is the ultimate goal. → _____ is the ultimate goal.

_____ is the ultimate sin. → _____ Jesus is the ultimate sin.

Love is _____. → Love is _____ the highest good.

Do desires _____ who we are, or do they _____ who we are?

How would Jesus handle this?

Luke 7:47: Therefore I tell you, her sins, which are many, are _____.

In the Luke 7 account, who am I?
