

Dear Parents,

It is Redeemer Fellowship Church's priority to equip parents to effectively disciple their children. While assisting mothers and fathers to lead their households in the teachings of Christ, the congregation is responsible to support them in their efforts. We devote ourselves collectively to teach the next generation the ways of God.

As one people, we must be servants to one another. It is important for an entire congregation to be intentional in their approach to coach parents to be the primary spiritual teachers in their homes. Churches also must display the biblical identity of a family, whose shared responsibility is assisting the household with the burden of leading each child to spiritual maturity in Christ. This will be accomplished by our Sunday School class and other innovative ministries designed by the collective gifts and strengths of individuals in our community.

Our children's ministry, Redeemer Kids, is designed to come alongside parents to teach the Gospel to kids of all ages; encouraging them to put their faith in Jesus and follow Him. Our volunteers fulfill this task by teaching Bible stories, reviewing scripture memory verses and catechism questions, loving each child, and praying for them in and out of class.

Each week, our volunteers:

- Teach children the gospel, giving them the opportunity to hear the gospel from other adults in the church
- Allow the children to see that the gospel is real as it is lived out in their leaders' lives
- Provide a safe and welcoming environment that shows kids that they are welcome in the kingdom of God and loved by God and His Church
- Teach Scripture Memory Verses or a Catechism Question
- Pray for the kids

We are committed to a safe and loving environment for your children. Because of this, all volunteers are members in good standing, have submitted to a background check, and adhere to a code of conduct determined by our Elders and Children's Ministry Team. Thank you for giving us the opportunity to come alongside you as we all collectively seek to minister the gospel to the children of Redeemer Fellowship Church.
