The Last Day Fishing

Big Idea

There is an end - be ready!

Matthew 13:47-52

The Parable of the Net is like the parable of the wheat and weeds, but without a period of growth. This narrative envisions a large net being dragged across portions of a lake, scooping up whatever comes into its path. Fish that were too small or inedible would be cast aside; those that could be sold or eaten would be collected.
