Sermon Notes

Hope because...there is a miracle working God.

God Can

Big Idea

Miracles still happen today.

Luke 1:26-27, 19-25, 28-35, 36-37

Mary

Six Months Earlier

Six Months Later

Mary is an unmarried virgin!
Conception for her without a husband is impossible,
but not for God – nothing is going to stop God's
divine plan of salvation – offered to all!!

What comes into our minds when we think about
God is the most important thing about us.

Miracles And Me

Study Questions

1. What stood out to you, challenged you, or encouraged you from Sunday's sermon/service?

2. What is your definition of a miracle? Why do you think God performs miracles in some cases but not in others? What do we know about the character of God that will steady us in either circumstance?

3. Kendall talked about "looking" for a miracle. How could you look for a miracle? How might you miss a miracle?

4. What makes the birth stories of John and Jesus miraculous? How do Mary and Zechariah each respond? Why do you think Luke might include details about each of these miracles?
