Featuring Brad Cordray and Vicky Hiken

MPBC WORSHIP

FOR ALL YOU'VE DONE

We Remember (Psalm 57)

Written By Brad Cordray
In the shadow of Your wings
We find mercy
Your unfailing love
Has rescued us

From the storms all surrounding
From our weakness and our fears
We are not forsaken, no
Our Champion is here

We remember who You are
Our Conquering King, the Risen One
And we remember who we are
We are Children of God, and we are loved
We remember, we remember

Be exalted in the heavens
Let Your glory shine on earth
We thank You for Your goodness
And Your faithfulness to us

Jesus is stronger than the enemy
The war is over, ours is the victory
Jesus is stronger than the enemy
The war is over, ours is the victory

Save Me

Written By Brad Cordray
Save me from myself
This darkness within me
My soul is crying out
For Your love to rescue me

Set me free from this pain
Set me free from my shame
Set me free, set me free
Lord, Save me

Save me from myself
I need to hear from You
I'm lost and so alone
Won't You come and make me new

I was bought for a price
My ransom, Jesus Christ
A new life I have received
A call to be holy

Now and Always

Written By Justin Gourley
Jesus I am lost in
Your words and Your love
You come so near to me when I call You

Your presence, it fills me
So I can clearly see

So I pour out my praises
Call out to You
You're the One that I run to now and always
You're the God that brings freedom gives me new life
You're the One that I run to now and always

You came to redeem me
You set my heart free
You shed Your blood for
Me to suffer no more

**For All You've Done
(No Words)**

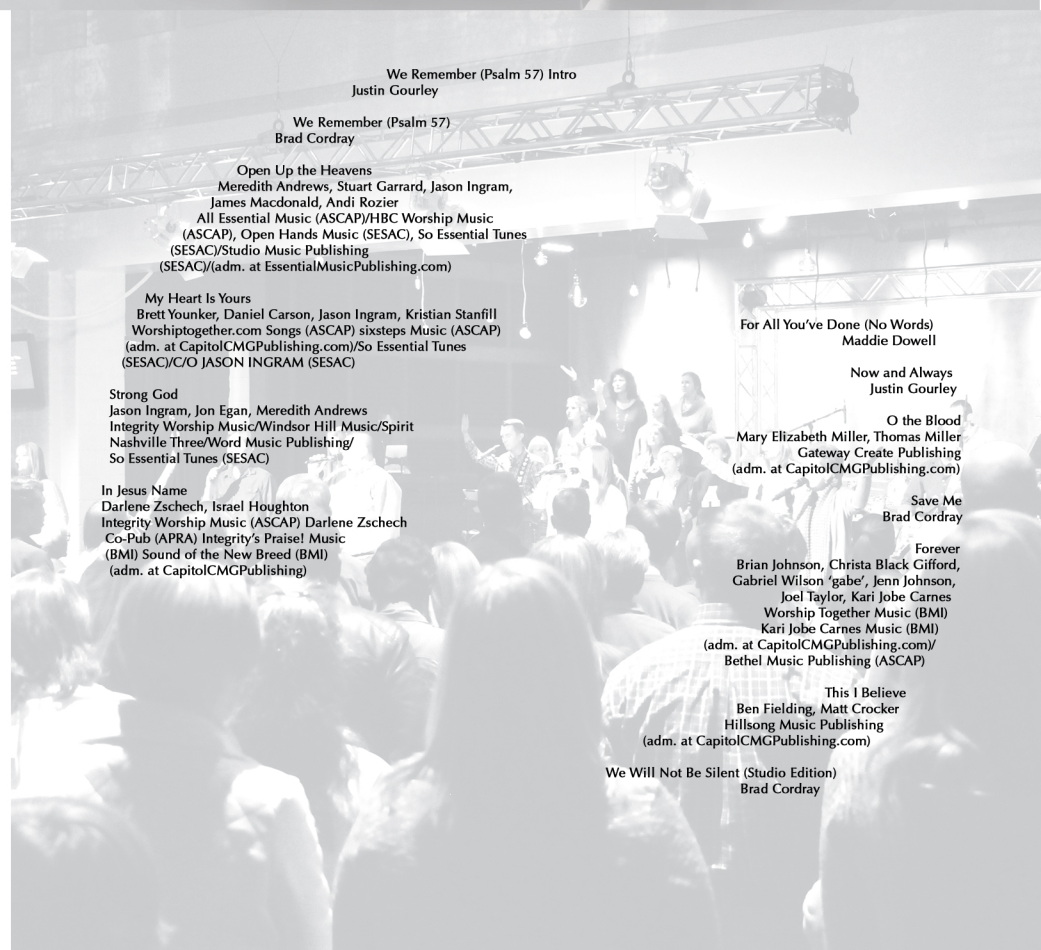

Written By Maddie Dowell
You guide my feet, you hold my heart
You're there in all my weakness, beside me in the dark
You comfort me, when I'm afraid
You've won my every battle, You've washed away my shame

I wish that I could find the words to say,
So I could lift You up and praise Your Holy name

For all You've done, I choose to sing
To pour out my life and lay it at Your feet
You are my God You are my King
I have no words to say, I'm in awe of Your majesty,
I have no words

I lift my eyes, I see Your face,
Shining with Your glory, and all of Your precious grace
I look to You, to find my strength
To go where You will lead me, and rest in Your embrace

For all You are to me, I'm in awe of You
And for all You've done for me, I owe all to You
You are my everything You made me somebody
So I lift my voice
