

No Longer Slaves

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

From my Mother's womb
You have chosen me
Love has called my name
I've been born again into Your
family
Your blood flows through my
veins

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
(repeat)

I am surrounded by the arms of
the Father
I am surrounded by songs of
deliverance
We've been liberated from our
bondage
we're the sons and the
daughters
let us sing our freedom

You split the sea so I could walk
right through it
My fears were drowned in
perfect love
You rescued me so I could
stand and sing
I am a child of God

You split the sea so I could walk
right through it
My fears were drowned in
perfect love
You rescued me so I could
stand and sing
I am a child of God

I am a child of God
(repeat two times)

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

Raise a Hallelujah

I raise a hallelujah in the presence
of my enemies
I raise a hallelujah louder than
the unbelief
I raise a hallelujah my weapon is a melody
I raise a hallelujah Heaven
comes to fight for me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my
praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I raise a hallelujah with everything inside
of me
I raise a hallelujah I will watch the
darkness flee
I raise a hallelujah in the middle of the
mystery
I raise a hallelujah fear you lost your hold
on me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my
praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

Sing a little louder
in the presence of my enemies
Sing a little louder
ouder than the unbelief
Sing a little louder
my weapon is a melody
Sing a little louder
Heaven comes to fight for me
(REPEAT)

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my
praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my
praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

Another in the Fire

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this
world
And I know I will never be alone

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free
There is a grave that holds no body
And now that power lives in me

There is another in the fire
oh
(repeat 3x)

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us

There is no other name
But the Name that is Jesus
He who was and still is
And will be through it all
So come what may in the space
between
All the things unseen and this
reckoning
I know I will never be alone
I know I will never be alone

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come ev'ry battle
'Cause I know that's where You'll be

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between us

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

I'll count the joy come every battle
cause I know that's where you'll be
