## MAIN IDEA

We get...to give

# INTRODUCTION .....

• Jesus talked about money more than He talked about Heaven. He knew how closely we hold on to that which we assume is ours. He knew that our hearts are closely tied to the security and safety that money can seemingly offer us.

## DISCUSSION .....

- Describe a situation where it is incredible easy for you to be generous.
- Conversely, describe a situation where it is incredible difficult for you to be generous.
- What's the most generous thing anyone have ever done for you? (Jesus dying on the cross for you does not count).
- Have someone read (Psalm 37:21)
  - What are some ways to change our natural habits of self-centeredness and selfishness and begin to develop the skill and habit of being more God-like and generous?
- Have someone read (Matthew 6:19-21)
  - How can this verse change how you currently live?

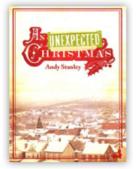

- 2 Corinthians 8:12 says, "For if the willingness is there, the gift is acceptable according to what one has, not according to what one does not have."
  - What does this verse mean to you as you consider your level of giving?
  - Our attitude and willingness when giving is what is important to God. What are some examples of how this type of attitude would be recognizable in a person who is being authentically generous?
- Have someone read (2 Corinthians 9:7-8)
  - Why are people sometimes reluctant to give voluntarily and/or cheerfully?

# APPLY IT .....

- **Simplify** remember borrowing money/charging everything is withdrawing from your future happiness.
- Strategize create a plan when it comes to generosity. Don't allow greed to be your default way of living.
  Consider taking Financial Peace University (beginning January 16<sup>th</sup>).
- Sacrifice Start giving today, or increase your giving starting today.

#### **RECOMMENDED CHRISTMAS RESOURCE**

AN UNEXPECTED CHRISTMAS - by Andy Stanley

Shake any family tree and you never know what kind of people might fall out. Let's face it; we all have an uncle or cousin we whisper about behind closed doors. We all have a relative or two we try to avoid at family gatherings. No surprise there. But here's something you may not know. Jesus had a few shady characters in his family as well. Actually, he had some relatives that make your most wayward cousin look like a saint.

In this 5-part series, Andy Stanley introduces us to a few of these colorful characters and the role they play in the Christmas story.
