

Week 8: Stewardship

1. What is your most prized possession?
2. Stewardship is defined as: “the job of supervising or taking care of something, such as an organization or property.” What does that mean to you?
3. What do you think about the idea that God gives not equally, but according to our ability?
4. One of our points in the video was “It is not the amount given, but the faithfulness that matters.” How can that be applied to your life?
5. What do you think making the best use of time looks like? Or what does wasting time look like?
6. What do you think faithful stewardship of your time and your things looks like for you?
7. For further study of the idea that obedience leads to joy: Read Deuteronomy 28:1-14. How should the belief that God’s ways for your life are better than anything else impact your daily living?

Put it into Practice:

- Find one ministry (REVO, non-profit, other ministry) to give to financially on a regular basis. And/or find out what your biggest time-wasting activity is and replace it with another spiritual discipline.
