

Day 16

Read: Acts 3:1-10

We just witnessed the healing of a lame beggar by Peter and John. As Peter and John went to the temple at the hour of prayer, they encountered a man who was lame from birth. The beggar asked for money, expecting to receive some from Peter. Then Peter told him he didn't have any silver or gold, but he will give the man what he does have: The power to heal him through the name of Jesus Christ. This miracle not only healed the beggar physically but also demonstrated the power of Jesus' name. This event is a reminder that Jesus is our healer and that He has the power to change our lives.

When we proclaim the good news of Jesus, we bring hope, joy, and transformation to those around us.
