

Day 18

Read: Proverbs 3

In this passage, Solomon is giving advice on how to receive God's guidance. "Leaning in" has the sense of putting your whole weight on something, resting on and trusting in that person or thing. When we lean on someone, we can fall if they move. Solomon is telling us that we need to lean on God because He will never let go of us or drop us. God is always there; we have to choose to lean on Him.

As Christians, we have to actively make the decision daily to listen to what God is telling us and lean on Him because we think we can do it on our own. It is easy to think that only applies to big decisions, but this verse is reminding us that we need to go to God in all things. He has the big and little things planned out for us and the little things are what make the big decisions easier. We have to spend time in God's Word and with Him in prayer to be able to hear Him. God's path might not make sense to us at the moment but it is always best.

PRAY

- **Adore:** Thank God for the reminder that He has the plan and that we need to lean on Him. He is always there for us and we do not have to do it on our own.
- **Ask:** Ask God to help you see areas of your life where you are not leaning on Him and asking for His help.
- **Act:** After you acknowledge the areas that you are struggling to give over to God; bring them to God in prayer, use the Bible as your guide, and then act on what He has for you to do
