

Day 15

Read: Acts 1:12-14

This passage highlights the importance of prayer and fellowship among believers. The disciples were united in their faith and prayer, and they were seeking the guidance of the Holy Spirit. This is a model for us today, as we face a world that is often challenging and uncertain.

When we are facing challenges, it is easy to feel overwhelmed and try to control everything ourselves. However, Acts 1:12-14 reminds us that we are not alone. We have a loving God who is always with us and who wants to help us. When we lean into God, we are acknowledging our dependence on Him and we are opening ourselves up to His guidance and strength.

PRAY

- **Adore:** Thank and praise God for when He's guided you in the past.
- **Ask:** Ask God to give you guidance and strength for today's challenges.
- **Act:** Continue praying and relying on the Spirit to lead your actions.
