

Detecting Obstruction

1-4-15

1 Kings 19:19-21

Obstruction

1) Sentimental Ties 1 Kings 19:19-21

Hesitating can become an obstacle

Vs 20 - the phrase that delays "and then I will"

2) Significant Tasks Vs 19

Plowing fields is important

Where you are is important, but not as important as where He is calling you to be

3) Unrealistic Expectations

Elisha was called with a cloak! (Not arch angels & trumpets)

4) Predetermined ideas

2 Kings 2:1-16

4) Doubt 2 Kings 2:13-14

Elisha trusted in the cloak & God used that!

He will use what calls you to keep you!!

Keys to victory

1) Persistence 2 Kings 2:2,4,6 vs 10!!!

2) Encouragement from others 2 Kings 2:13-15

You must receive the compliments & encouragement
(believe them)

3) Consistency - what calls you will keep you (cloak)

4) Rhema 1 Kings 19:16
