LOVE GOD—LOVE PEOPLE—SERVE THE WORLD

John 20:30-31

✦*Ordinary means normal, usual, or happening in the regular course of everyday life without anything special, strange, or unexpected.*

When a person seeks truth from something dead, all they get is a foul smell and more death.

1 Peter 5:8–9

✦Relevance does work for some aspects of how we *do* church, but not how we approach the Gospel of Jesus.

Every generation faces the temptation to remake Jesus into something more acceptable to the culture.

✦Progressive Christianity often uses Christian language, but it deceptively redefines Jesus, sin, salvation, Scripture, and the Gospel itself.

1. Progressive Christianity Is a false Gospel Because It redefines Scripture's authority.

✦Once Scripture is no longer authoritative, something else becomes the authority.

Biblical Christianity begins with this conviction:
God has spoken, and His Word is true.

2 Timothy 3:16-17, John 17:14-17

✦*Jesus did not say, "God's word contains truth." He said, "God's word* ***IS*** *truth."* ***Psalm 119:105***

Culture changes. Trends change. Human opinions change.
But God's Word remains. ***Matthew 24:35***

Proverbs 30:5-6 NKJV

✦As Christians we are called to contend for the truth, to guard it, to proclaim it, and expose what is false.

Progressive Christianity wants a gospel where sin is never confronted, repentance is never required, and Scripture never corrects us.

✦A Christianity that removes the authority of Scripture ***is not*** Christianity.

CHALLENGE QUESTION: *"Have I been compromising God's word by allowing the world's truth to overshadow God's truth in some areas of my life?"*
