Sermon “Love, Holiness, and Eternity”

Progressive Christianity lowers the divinity of Jesus and downplays the concept of sin. It follows a moral code centered on being a good person and being guided by one’s own truth, in which absolute truth is nonexistent and Scripture is no longer authoritative.

Key texts for series: Jude 3-4, Galatians 1:6-9

Progressive Christianity's Lies: 9 and 10.

*****We should care more about love and less about sex.*

*****Life in this world is more important than the afterlife.*

Ephesians 5:3, 1 Corinthians 6:9-11

God’s Authoritative Truths in Scripture:

1. Biblical love does not cancel out Biblical holiness. ***John 14:15***

God created sexuality, established its purpose, and set boundaries for its expression. The Bible teaches that sexual intimacy is a gift intended for the marriage covenant between a man and a woman.

Romans 6:22b – 23, James 1:13–15

2. Earthly life is a preparation for eternity, not a replacement for it.

Biblical Christianity is not about escaping responsibility in this world, it is about understanding this world in light of the next.

Matthew 16:26, Titus 3:14, 1 John 2:15-17

Personal Reflection:

*****Do I define love by what God says, or by what culture approves?*

*****Am I willing to practice holiness even when it is unpopular?*

*****Am I living for what matters to God or simply what feels good today?*

*****Am I preparing myself and others for eternity?*
