Sermon “Reconciliation and Righteous Judgement”

Progressive Christianity lowers the divinity of Jesus and downplays the concept of sin. It follows a moral code centered on being a good person and being guided by one’s own truth, in which absolute truth is nonexistent, and Scripture is no longer authoritative.

Jude 3-4, Galatians 1:6-9, John 1:14 NKJV

Progressive Christianity's Lies Number 2 and 3.
*****_Affirming people’s potential is more important than reminding them of their brokenness._
*****_The work of reconciliation should be valued over making judgments._

God’s Authoritative Truths in Scripture:

1. Human potential is real, but sin has broken our relationship with God.
Romans 3:23-25, Luke 19:10, Mark 2:17

2. Biblical reconciliation requires righteous judgment. ***John 7:24***
Matthew 7:1-5, Galatians 6:1

Jesus commands us to judge righteously, not hypocritically.

Biblical Reconciliation is the restoration of a broken relationship between God and humanity, bringing peace and harmony where enmity, guilt, or separation once existed.

2 Corinthians 5:18-20, Romans 5:10, 1 Peter 2:24-25

Personal Reflection:
Am I avoiding hard truth because I want people to like me?
Am I speaking truth without love because I want to win an argument?
Am I willing to be corrected before I correct someone else?
Do I grieve over people who are deceived, or do I look down on them?
Am I pleading, “Come back to God,” or am I simply trying to be right?
