

March 22, 2026 "Faith in the Storm "

LOVE GOD—LOVE PEOPLE—SERVE THE WORLD

"Faith is our root, and Love is our fruit."

**"A life built on faith and love is not storm-free,
but it is stormproof."**

Have you ever asked the Lord why certain things are happening?

- Some ask to question or challenge His word and Love.
- Some ask, crying out in challenging situations, yet clinging to His promises.

Habakuk 1:3, Job 7:20, Psalms 43:2, Judges 6:13, Mark 15:34

Though it seems God is silent and we don't understand what is going on, He is right there in the midst working things out in our favor.

Psalms 34:19

**WHAT THEN IS THE LORD DOING WHEN HE
ALLOWS THESE TRIALS?**

Judges 3:1-4

- God allows trials, as it were, not to harm us but to train, teach, and test us.

His ways and methods, we don't always understand, but when we ask Him why, we must also learn to surrender to His will.

Surrender is where LOVE and FAITH intersect

Luke 23:46

WHAT TO DO IN A STORMY SEASON

- Remember He loves you.

Isaiah 43:2, Matthew 24:4-12

- Pray and read His word.

When we pray, we aren't informing Him, we are inviting Him to help in times of great need.

- Speak the word of faith.

Ezekiel 37:1-14

- Expect change.

As certain as the winter passes, we must be sure storms don't last forever.
