LOVE GOD—LOVE PEOPLE—SERVE THE WORLD

John 20:30-31

God's grace is undeserved favor; giving us the power to live out our salvation.

Romans 3:23–24, Romans 4:4–5

✦ God's grace empowers our present and secures our future.

God's grace, through the enabling power of the Holy Spirit, helps us respond to life in a God-honoring way.

✦ Grace is not permission to stay the same. Grace is power to become who God created us to be.

1. God's grace gives us **new life**.

Without grace, Christianity begins to implode into itself and is left with only a shell of religion.

Romans 6:23, Ephesians 2:8–9, John 1:12-13, 16

2. God's grace **sustains us** when we are weak.

2 Corinthians 12:9

The promise here is that God's grace is a place of sufficiency when we are weak or experiencing something difficult in life.

Hebrews 4:16, Isaiah 40:29

✦ God's grace does not always remove the storm immediately, but grace anchors the soul in the storm.

Jeremiah 17:7-8

3. God's grace **empowers us** to reign in life.

Romans 5:17

To “reign in life” does not mean we never have problems. It means our problems do not have ultimate authority over us.

Titus 2:11–12

God's empowering grace ultimately satisfies our everyday circumstances—a reality that transcends external conditions.

CHALLENGE QUESTIONS: “Where do you need God's grace today? Is it in your marriage, mind, health, finances, parenting, sexual purity, grief, attitude, future?” **Breathe in God's grace through scripture, prayer, or worship. His grace is sufficient for you.**
