Grace — The Unmerited Favor of our Creator

Romans 1:20

✦ God's grace for the human race is the pathway to redemption that does not require works.

Ephesians 2:8-10 NKJV

God's grace is the open door that allows a person to enter a life of freedom that no one could otherwise experience in the natural world.

Colossians 3:10-11, Ephesians 4:21-24, 2 Peter 1:4, 2 Corinthians 5:17

God's amazing love for humanity would make a way for us to be given emancipation from a lifetime of sin.

✦ 2 Corinthians 3:16-18 says that we should be a reflection of His glory.

✦ The result of God's grace is that His very nature was imparted to us when we accepted His son Jesus.

✦ God's glory abounds when we tell others about His grace.

2 Corinthians 4:15

✦ Grace demands a deep dive and it is ever calling us back to the cross, reminding us how great our God is.

God's grace is not license giving us permission to ignore God's law and simply count on His grace. License is in fact a perversion of God's grace.

✦ There is a road called "grace" and on either side is one ditch called "license" and another ditch called "legalism".

We all want to feel better about ourselves, but if we are relying on our own works to do that, we have made a serious miscalculation.

Romans 5:19-21, Romans 6:14-16
