**A Message
From
Pastor Dave**

"If one part suffers, every part suffers with it" - 1 Corinthians 12:26 (NIV)

'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you a hope and a future' – Jeremiah 29:11 (NIV)

It has been almost eleven months since I had reconstruction surgery on my right achilles tendon. While I continue to recover from surgery and am feeling much better, there are still days that I also feel great pain - not just in my heel, but throughout the rest of my body as well. This reminds me of Paul's words above; *if one part of the body suffers, every other part suffers with it.*

As was announced January 23rd, it is expected that I will be appointed by our Bishop as Senior Pastor of Thoburn UMC in St. Clairsville Ohio effective July 1st of this year. While there is joy in anticipation of what God has in store for me and my family, as well as for Dover First UMC, there is also some pain as well.

Change is never easy, nor is grief ever comfortable. Many questions come to mind in the midst of change. Why? Why now? What's going to happen next? When will we know? These are natural questions, and while I may not have all the answers to the 'why' 'what' and 'when,' I do know that in the midst of uncertainty that we can turn to the 'who' - Jesus Christ our Lord, who holds all things in His hands.

As we prepare for this upcoming transition in pastoral leadership, I would like to offer some words of encouragement and share six steps that we can all take in the days, weeks, and months ahead.

First, the best thing to do during any transition is to keep our eyes focused on Jesus, and resist the temptation to go in a different direction from where we need to be heading. It is very easy to get distracted in times of transition, and distractions can be lethal to our spiritual growth and health.

Second, give yourself time to grieve, and grieve well. This is a time of loss. We are brothers and sisters in Christ and have experienced much together, so allow yourself time to process your feelings. Don't stuff them inside. Jesus calls us to bring everything into the light. If Jesus Christ is the way, the truth, and the life, then He calls His children to be honest in every area of their lives, including grief. You may not want to grieve publicly, and that is ok. If not, grieve in private so that you can all be strong for someone else.

Third, stick together during this time of transition in order that you may fight against the devil's schemes and ensure that Dover First is healthy for the next pastor. We should never underestimate satan's schemes. Transitional moments are optimal times when satan comes in and places doubts and fears in our minds, sowing seeds of dissention which can grow into weeds of destruction. Satan would love nothing more than to see a thriving church become one that is simply surviving. Be aware of the devil's schemes during this time, and guard your heart.

Fourth, be patient. While the church family at Thoburn is aware of who their next pastor will be, the church family at Dover First is not. It is easy to become discouraged while waiting. Have you ever had to wait in line at a drive-through, or a checkout line, or in traffic? Waiting can be hard sometimes, but please know that there are times when the process *should* be long, in order to make sure the best possible choice is made. Our Bishop and cabinet are doing their best to discern who will carry out the vision of Dover First next, and I am confident that with God's help, that person will be identified. God has a plan, and it's a good plan. Trust their leadership, and strive to be patient.

Fifth, don't rely on hearsay or rumors. I encourage everyone to remain in dialogue with me and the members of our Leadership Board. Once information becomes available, it will be shared with everyone as soon as possible. If you have a concern, please let us know. The Leadership Board will do everything to remain as transparent as possible during this time, as will I.

Sixth, lean on one another. Dover First is a healthy, growing church, and satan would love nothing more than to find a way to make you feel isolated and destroy the fellowship of the church family. The best way to combat this is to lean on one another. If you are struggling with this transition, talk to someone you trust. If you are not sure who to talk to, pray that God would reveal someone you can talk to who has been through this process before. You can contact a member of the Leadership Board or myself, or, engage in small groups. Share a meal together with someone and talk about what is taking place so that you can be aware of others' feelings at this time. Remember, we are Better Together!

Pastoral transition is hard. When a part of your body hurts, the rest of it does its best to compensate for the part that is hurting. Be the healthy part of the body so that you can help those that are hurting. In doing so, our church family will be as healthy as possible when the next pastor is appointed.

My friends, we have been through much together over these last seven years: weddings, baptisms, funerals, new births, professions of faith; we have built houses together, packaged meals together, handed out water together, worshipped together, shared meals together, sung songs together, laughed together, cried together, mourned together, and even endured a global pandemic together. But our time together is not done. There is still much work to be done over the next five months. Let us therefore keep our eyes focused not on the 'why' but on the 'who', Jesus Christ our Lord and our Savior.

I look forward to our remaining time together, and will continue to pray for you, this wonderful church family, and your next pastor, whoever that may be. We may not yet know who that is, but God knows, and it is in that knowledge that we place our trust.

I love you all, and am extremely blessed to be your pastor.

In His Name,

- Pastor Dave

***“Developing Trust When Faced
With Unwanted Change”***
(Message 5 of 8)

WHAT TO REMEMBER ABOUT UNWANTED CHANGE:

1. CHANGE IS UNAVOIDABLE

As long as the earth remains, there will be springtime and harvest, cold and heat, winter and summer, day and night - Genesis 8:22 (NLT)

2. GOD USES IT FOR GOOD

We are confident that God is able to orchestrate everything to work toward something good and beautiful when we love Him and accept His invitation to live according to His plan - Romans 8:28 (Voice)

3. GOD CAN USE SIN OR ERROR THAT CAUSES CHANGE

You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives - Genesis 50:20 (NIV)

4. EVERY CHANGE IS A TEST OF OUR FAITH

The purpose of these troubles is to test your faith as fire tests how genuine gold is. Your faith is more precious than gold, and by passing the test, it gives praise, glory, and honor to God - 1 Peter 1:7 (GWT)

5. GOD’S PURPOSE IS TO MAKE US MORE LIKE JESUS

We know that God causes everything to work together for the good of those who love Him and are called to His purpose for them. For God knew in advance who would come to Him and He chose them to become like His Son - Romans 8:28-29 (NLT)

*"Developing Trust When Faced
With Unwanted Change"*
(Message 5 of 8)

WHEN OVERWHELMED BY UNWANTED CHANGE:

1) SPEND MORE TIME ALONE WITH GOD

Have you never heard? Have you never understood? The LORD is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding. He gives power to the weak and strength to the powerless. Even youths will become weak and tired, and young men will fall in exhaustion. But those who trust in the LORD will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint - Isaiah 40:28-31 (TLB)

2) ASK GOD TO HELP ME SEE THINGS FROM HIS PERSPECTIVE

If you need wisdom, just ask God, for God is generous and He will gladly tell you what you need - James 1:5 (NLT)

3) ASK GOD, 'WHAT DO YOU WANT ME TO LEARN?'

I have learned the secret of being content in any and every situation, no matter what happens. I can live when I have more than I need or when I don't have enough. I have the strength to face all conditions by the power that Christ gives me - Philippians 4:12-13

4) FOCUS ON WHAT NEVER CHANGES

I have loved you with an everlasting love - Jeremiah 31:3 (NIV)

The Word of God shall stand forever - Isaiah 40:8 (NLT)

His plans endure forever; His purposes last eternally - Psalm 33:11 (NLT)

5) SAY TO GOD, 'I TRUST YOU NO MATTER WHAT'

The righteous man does not fear bad news, nor live in dread of what might happen. For he is settled in his mind that God will take care of him - Psalm 112:7 (NLT)

Even if a whole army surrounds me, I will not be afraid. Even if enemies attack me from all sides, I will still trust God - Psalm 27:3 (NLT)

LET'S
TALK
ABOUT IT

January 30th 2022
Developing Trust In Unwanted Change

OPEN YOUR GROUP WITH A PRAYER. THIS IS ONLY A GUIDE – SELECT THE POINTS YOU WANT TO DISCUSS.

What to Remember

1. Change is Unavoidable

As long as the earth remains, there will be springtime and harvest, cold and heat, winter and summer, day and night - Genesis 8:22 (NLT)

There is no growth without change

There is no change without loss

There is no loss without grief

There is no grief without pain

How does Genesis 8:22 exemplify these 4 “There is no” statements with regard to change?

2. Change Is Not Always Good, but God Uses It for Good

We are confident that God is able to orchestrate everything to work toward something good and beautiful when we love Him and accept His invitation to live according to His plan - Romans 8:28 (Voice)

When have you experienced God working unwanted change in your life for good?

3. God’s Purpose in Every Circumstance Is to Make Me More like Jesus

We know that in all things God works for the good of those who love him, who have been called according to his purpose - Romans 8:28 (NIV)

For God knew in advance who would come to him, and he chose them to become like his Son - Romans 8:29 (NLT)

God’s work in our lives can be compared to making a cake with ingredients that are individually unappetizing. How does God work “in all things” in our lives according to Romans 8:28 above?

What is God’s ultimate purpose for us according to Romans 8:29?

What to Do

1. Invest More Time Alone with God

2. Ask God to Help Me See His Perspective

Have you never heard? Have you never understood? The LORD is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding. He gives power to the weak and strength to the powerless. Even youths will become weak and tired, and young men will fall in exhaustion. But those who trust in the LORD will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint - Isaiah 40:28-31 (TLB)

Where Does Wisdom Come From?

- Prayer

If you need wisdom, just ask God for it. God is generous and He will gladly tell you what you need - James 1:5

- God's Word

We have greater confidence in the message of the prophets. Pay close attention to what they wrote, for their words are like a light shining in a dark place - 2 Peter 1:19

When we don't like the changes in our life, we can reduce our stress by investing more time alone with God and asking Him to help us see His perspective. How do we receive God's wisdom according to the verses above? What are the benefits?

3. Instead of Asking "Why Is This Happening?" Ask God: "What Do You Want Me to Learn?"

We can rejoice, even in our troubles and struggles, because we know they help us learn endurance. And endurance develops strength of character, and character creates hope - Romans 5:3-4 (NIV)

I've learned the secret of being content in any and every situation, no matter what happens. I can live when I have more than I need or when I don't have enough. I have the strength to face all conditions by the power that Christ gives me - Philippians 4:12-13

When we ask God what He wants us to learn in our troubles and struggles, we can be content "no matter what happens," as the Apostle Paul said above. Share challenges you face in being full of hope, and the benefits you experience as you develop endurance and strength of character.
