

ROMANS

THE GOSPEL OF PAUL

The image features a dramatic, low-key photograph of the Colosseum in Rome. The Colosseum is the central focus, its iconic tiered arches partially illuminated by a warm, golden light that creates a sense of depth and texture. In the foreground, an open, antique book with yellowed, parchment-like pages lies flat, its pages slightly curved as if turned. The background is dark and atmospheric, with a few other ancient columns visible in the distance, adding to the historical and monumental feel of the scene. The overall mood is one of timelessness and grandeur.

themselves, and pray and seek
My face, and turn from their
wicked ways,

will forgive their sin and heal
their land.”

their perfection.**

moving while waiting.**
