DISCUSSION QUESTIONS | OCTOBER 18TH

1. Read Ephesians 2:11-13. How does Paul describe the Gentiles' relationship with God and His people before Christ? What has changed because of Jesus?
2. In verses 14-22, Paul uses several descriptions of what Christ has accomplished and who we have become together. What are those descriptions, and what do they teach us about God's purpose for the church?
3. Verse 19 says we are no longer strangers and aliens but fellow citizens and members of God's household. Do you tend to think of the church more as something you attend or a family you belong to? How does this passage challenge the way you approach relationships within the church?
4. Paul finishes by saying that we are being built together into a dwelling place for God by the Spirit (v. 22). If we really believed that God is doing something this significant among us, what would change about the way we prioritize, love, and invest in one another?
