DISCUSSION QUESTIONS | MAY 3RD

1. Was there something that stuck out from the 7 observations that Pastor Jon brought before us from the text? Share why it was impactful.
2. Look at verses 19–21 and the “works of the flesh.” Which of these stand out to you most, and why do you think Paul is so direct in listing them out? Is there one you have been prone to lately>?
3. In verses 22–23, Paul describes the fruit of the Spirit. What stands out about the fact that it’s called “fruit” (singular)? What does that suggest about how the Spirit works in our lives?
4. Where do you see evidence of the Spirit’s work in someone else in this group? (Encourage one another by specifically naming that in their life).
