DISCUSSION QUESTIONS | SEPTEMBER 20TH

1. Sharing life: Who is someone the Lord used to help you come to know Jesus or grow significantly in your faith? How did they impact you?
2. Read Ephesians 1:1-2 and 6:21-24. What words or descriptions does Paul use for these believers at the beginning and end of the letter? What do they tell us about the identity and relationships of God's people?
3. Read Acts 19:8-10 and 20:17-24. What stands out about the way Paul lived out his mission in Ephesus? What seemed to matter most to him?
4. We talk about being a church that is Jesus focused, Bible based, love fueled, Spirit led, and unified around mission. Which of those have you personally experienced or seen displayed at West Bridge? Where have you seen God at work through our church family?
5. Paul says in Acts 20:24 that his life is worth nothing to him if only he can "finish the course" and testify to the gospel of God's grace. Who has God placed around you that you want to be more intentional about reaching? What could taking a step toward that person actually look like?
